

GUIDED DAY TOUR PRESENTER

As a Presenter for our Guided Day Tours, you'll play a vital role in captivating visitors with the rich history of our observatory, the fascinating artifacts in our museum, and the pivotal role of our older telescopes in Western Australian astronomy. No prior knowledge is required for this role as comprehensive training is provided.

Commitment:

- ☾+ Guided Day Tours can be variable as they are dependent upon bookings. They are usually during weekdays running for 1.5 hours approximately.
- ☾+ We offer regularly scheduled Sunday afternoon tours that operate on a walk-in basis, allowing participants to join whenever their schedule permits.

Your Responsibilities:

- ☾+ Set up pre-prepared PowerPoint presentations in the lecture room.
- ☾+ Greet each group and present engaging tours, delivering informative presentations, with audiences of all ages and backgrounds.
- ☾+ Learn about the history of our research telescopes.
- ☾+ Learn about the key artifacts in the museum.
- ☾+ Learn to set up and operate our solar telescopes.

Your Skills and Experience:

- ☾+ Public Speaking.
- ☾+ Ability to handle groups of people.

Requirements:

- ☾+ Working With Children's Check
- ☾+ Drivers Licence – there is no public transport to the Observatory

Why Volunteer with Us?

- ☾+ Be part of a passionate team dedicated to sharing the wonders of the universe.
- ☾+ Gain valuable experience in customer service and tour guiding.
- ☾+ Enjoy a supportive and inclusive environment.
- ☾+ Make a positive impact on our visitors' experiences.

Join our dedicated team at the Perth Observatory and inspire curiosity and wonder in every visitor who explores our observatory.
